

There are 4 html files: index.html, login.html, product.html, product-detail.html

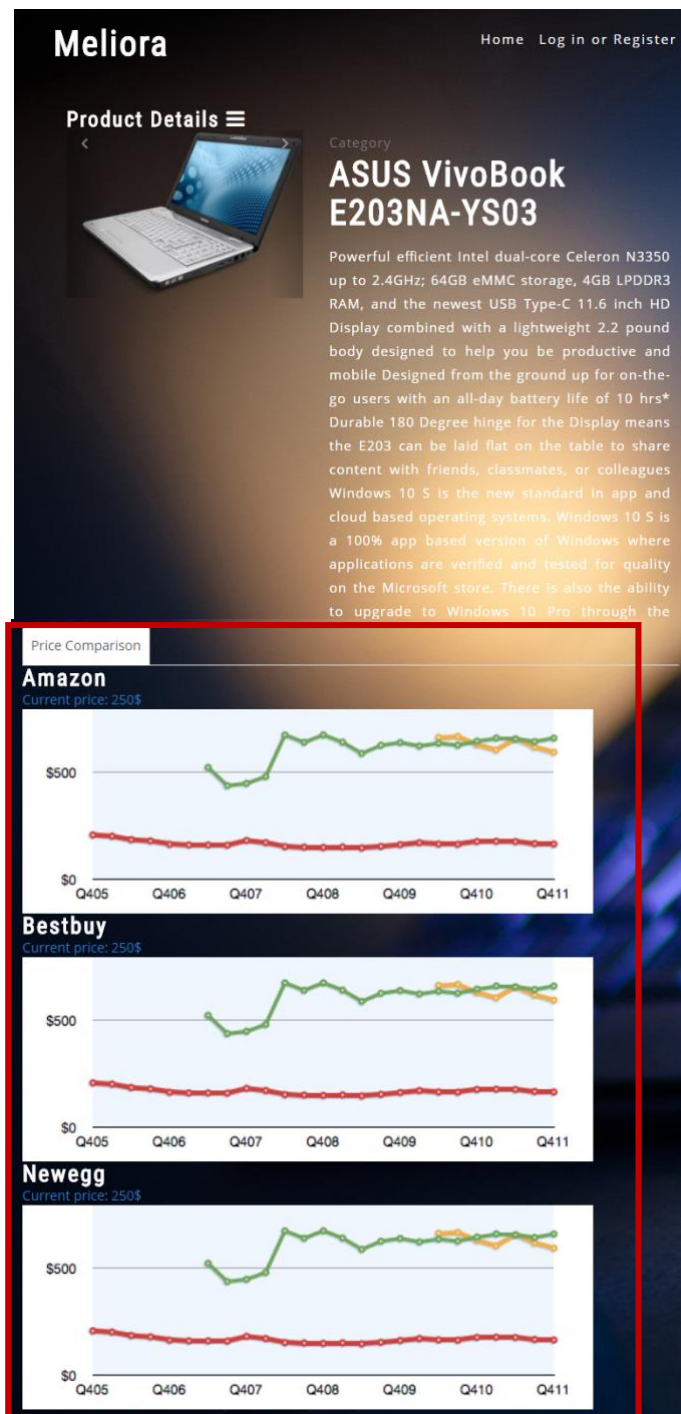

Index.html

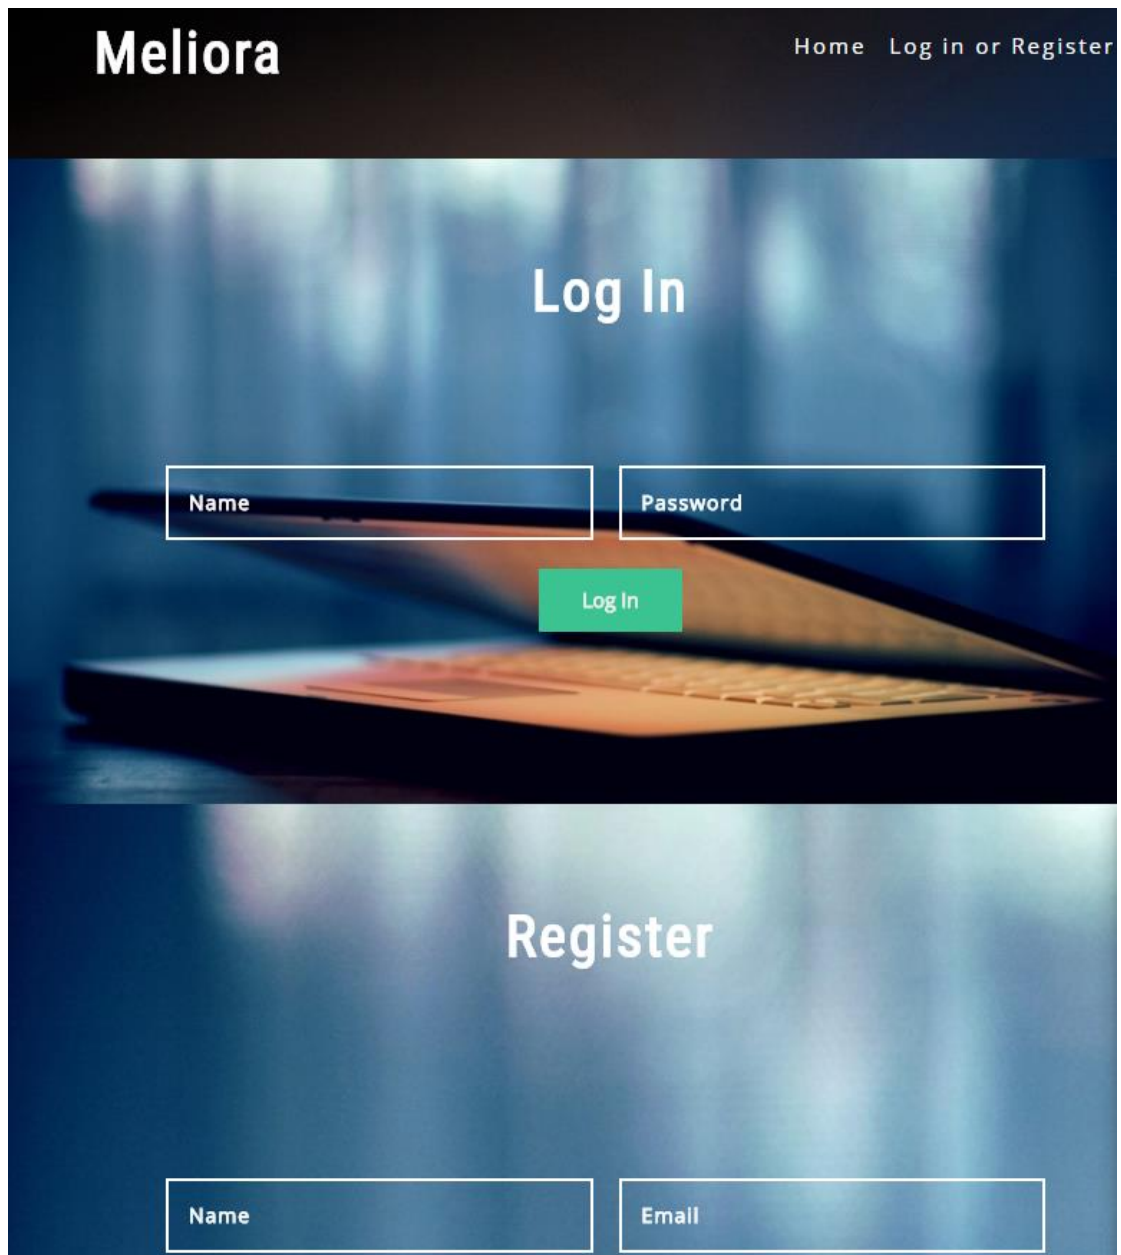

product.html: show the list of products under category, and further filtering is possible

product-detail.html: after click “Details”, turn to details of one product. User can compare price in this page and entering corresponding website by clicking the price (not available right now)

login.html: user can log in or register on this page

The image shows a web page for 'Meliora' with a dark header. The main content area has a blue background with a blurred laptop image. It contains two sections: 'Log In' and 'Register'. The 'Log In' section has input fields for 'Name' and 'Password', and a green 'Log In' button. The 'Register' section has input fields for 'Name' and 'Email'.
